

Membership Card - Elite Live Mobile Phone App

The Elite Live App enables you to:

- top up your membership card remotely
- check the balance on your card and
- see all your recent transactions

If you would like to take advantage of this, just ask the office to send you a link to the one-off registration process – which only takes a few minutes.

Once you have registered you can download the “Elite Live” App which is in the App Store or Google Play (for Apple and Android devices respectively). If you prefer to use a QR code to access the App this is shown at the foot of the page.

After downloading the App, you are now ready to use your phone or tablet.

If you have any questions, please email: enquiries@myc.co.uk.
