Royal Motor Yacht Club Policy on International Catering Waste

Purpose:

To ensure compliance with government regulations regarding the disposal of International Catering Waste (ICW) and to maintain the health and safety standards of the Royal Motor Yacht Club.

Policy Statement:

International Catering Waste (ICW) must not be disposed of in any waste bins on the club premises. This includes any food waste, packaging, or other materials that have been in contact with food from outside the UK, Channel Islands, or Isle of Man.

Procedure:

1. Notification:

- Any member who travels outside the UK, Channel Islands, or Isle of Man must notify the club upon their return.

2. Disposal:

- Members must dispose of any ICW in accordance with the guidelines provided on the gov.uk website.
- ICW should be securely stored and transported to an approved disposal facility as outlined by government regulations.

Compliance:

Failure to comply with this policy may result in disciplinary action by the club. Members are encouraged to familiarize themselves with the relevant government guidelines to ensure proper disposal of ICW.

Review:

This policy will be reviewed annually and updated as necessary to ensure ongoing compliance with government regulations
