

BIRTHDAY CARD CRAFT DAY

Thursday 16th April
in the Edinburgh Suite
10.00am - 3.30pm

SPARKLE CARDS FOR BIRTHDAYS

Another chance to have a card making day with Jane Gill. Jane is a renowned stamp designer and passionate paper crafter. Jane has had over 35 years' experience designing rubber stamps, teaching card making classes and demonstrating techniques at craft shows and has appeared on several TV craft channels over the years.

This is a brilliant opportunity for you to try some paper crafting for yourself. You don't need to be artistic or experienced as Jane will show you step by step.

In the workshop you will be using some fabulous shimmering Mica powders. These powders are like watercolour paints but with a 'wow' factor. Create amazing backgrounds, colour with a paint brush, cut, stick and stamp for a creative, fun filled and relaxing day.

£28.50 per person

Price includes morning coffee, jacket potato with a selection of toppings for lunch & cup of tea in the afternoon.

Jane will provide some of the required materials but attendees will be given information on other basic materials to bring after booking confirmation.
